About EverWith®

Here at EverWith®, we believe that everyone should have a way to carry a little piece of someone they love with them. Even when they have passed on. It was because of our passion, and dream to make this a reality, that our company, EverWith®, was born. We are the UK's largest memorial jewellery company, creating beautiful, bespoke keepsakes in memory of loved ones who have passed away. Our vision is to create timeless, unique, sentimental tributes to treasure always.

We are dedicated to incorporating thoughtful details and personal touches into everything we do. Also, to alleviate any worries you may have, we send regular updates detailing the progress of your jewellery. Every day, we strive to deliver a fantastic service for our customers and to create keepsake gifts that they will cherish for a lifetime.

Our main desire is that our jewellery brings some comfort and peace to our clients. We have received such lovely feedback from our valued customers. Some tell us that when they receive their special item, they cry tears of happiness. Others, of the comfort that they find having their loved one with them still.

We are excited that our company is growing so quickly... as is our product range, and our fantastic team! EverWith® now offers an extensive choice of over two hundred different products. Our entire range of jewellery is made with quality 925 Sterling Silver or 9k Gold, and a lot of love and craftsmanship goes into every piece. For example, as even Sterling Silver can tarnish and discolour, each piece is coated with a Rhodium Plating that keeps the surface looking bright and shiny.

Our team of craftspeople respectfully blend a tiny amount of the ashes or hair with the special resin in your choice of 12 colours. Each of our exquisitely crafted pieces of jewellery contains one or more chambers where this resin blend is carefully added layer upon layer. There are many delicate stages, and when finished, the resin has the appearance of a glossy stone. The final outer layer is extremely hard and durable to protect the resin and its' precious contents.

We operate in a sterile environment where only one piece of jewellery is made at a time. Once received at our office, the ashes or hair, order confirmation form and the jewellery piece are placed together in a sealed bag until needed by our jewellery maker. No ashes or hair are discarded during the process and any unused precious content is returned to you along with your jewellery piece. We treat the ashes or hair of your loved one with the utmost care and dignity.

If you have any questions, or queries, no matter how small, please do not hesitate to get in touch. We are a friendly team who understand how personal and precious your jewellery will be. We are here every step of the way to make sure your order is perfectly unique, and exactly as you imagined.

With every piece of jewellery that is made you are given a **Certificate of Authenticity**

“We’ve crafted jewellery pieces for tens of thousands of happy customers who have left us amazing, glowing reviews.”

Created With Ashes or Hair

All of the EverWith memorial jewellery range can be made with a choice of your loved ones ashes or hair.

When choosing to use a loved ones hair, you should consider the hair condition and colour along with the chosen resin colour.

Beautiful piece made for my mother. The packaging that we received the ring in was beautiful and someone had taken a lot of time to make sure the presentation was perfect. She loves the ring and now she can carry her loved ones around with her at all times, thank you.

Glass Lockets & Elements

EverWith® have a unique range of Glass Lockets which you can pick your own elements to go inside.

Our range of glass lockets let you create your own totally unique cremation ashes or hair pendant. There are four locket styles, and each is hand-crafted of hallmarked 925 Sterling Silver which has a Rhodium plating to prevent tarnishing and scratching. There is also the option of 9k Gold.

We offer a selection of thirteen different ‘Elements’ of varying forms and available in two sizes. Within each locket, you can locate one or more ‘Elements’ containing your loved ones ashes or hair set in resin. Each element is tiny and holds a very small amount of hair or ashes set into the resin colour of your choice. Depending on the size of the pendant, and the size of ‘Element’ you choose, you can locate several different ‘Elements’ within the locket. Additionally, you can add to your locket or change its content as you wish. These glass lockets are rather like a charm bracelet. You can add to them, remove from them, or change which ones you display.

Engraving is not available on glass lockets or elements.

Self-fill Pendants

EverWith® Self-fill pendants help keep a departed loved one close to your heart.

As standard, they are finely crafted from hallmarked 925 Sterling Silver which has a plating of Rhodium to protect it from tarnishing and scratching.

If you prefer, you can order it in yellow, white, or rose 9k gold.

Should you wish we can fill the jewellery with your loved ones ashes for you at an extra cost of £20.

Engraving is available on certain self-fill pendants. Where possible, these pendants have a maximum number of characters that can be engraved at an extra cost of £39. Which Colour Resin Are You Going To Choose?

Choosing the perfect resin colour to create your EverWith® memorial jewellery can be tricky. Firstly, because all of the colours are wonderful

Secondly, because they all look awesome when combined with cremation ashes or hair. And, finally, because each one looks stunning set into the piece of jewellery. As a result, it can be hard to decide.

Maybe some theories about colours will help you to choose.

We have many different styles and designs of memorial jewellery pendants to choose from, and with a choice of twelve different resin colours you can create a very special piece of jewellery exactly how you like it. Every piece is beautifully crafted and has a fine finish.

Each EverWith® piece has a mount where the coloured resin containing a small amount of the cremation ashes or hair is carefully entered. The precious contents are held safe and suspended within the resin, and the end result is truly stunning.

What Do The Different Colours Represent?

BLUE embodies loyalty, stability, trust, and confidence. Additionally, it brings calmness and relaxation and reduces stress.

AQUA represents tranquillity, healing, softness, and understanding. It also brings emotional balance and stability.

GREEN symbolises harmony, safety, hope, and endurance. It restores depleted energy and balances the head with the heart.

YELLOW indicates energy, happiness, warmth, and intellect. Furthermore, it is illuminating and uplifting.

ORANGE represents creativity, determination, stimulation, and success. It gives emotional strength and support during times of grief.

RED symbolises strength, power, passion, and love. It is energising and builds confidence.

PINK signifies romance, friendship, femininity, and passivity. It is nurturing and understanding.

PURPLE embodies luxury, wisdom, creativity, and magic. It lets us communicate with our innermost thoughts.

VIOLET suggests dignity, devotion, peace, and mystery. It is spiritually calming and represents the future and dreams.

BLACK represents elegance, power, mystery, and grief. It protects and hides us from emotional stress.

WHITE symbolises purity, safety, innocence and goodness. It is reflective and offers a new beginning.

TRANSPARENT is for those who want to see things just as they are.

How to choose your resin colour

Certainly, knowing what each colour represents may help you to decide. Likewise, knowing the character of the deceased may influence your choice. Alternatively, you can pick a colour that the departed was fond of. Most important though, is to choose a shade of resin that you really like. Pick a colour which looks good on you and which you feel comfortable with.
